Dear Parishioners,

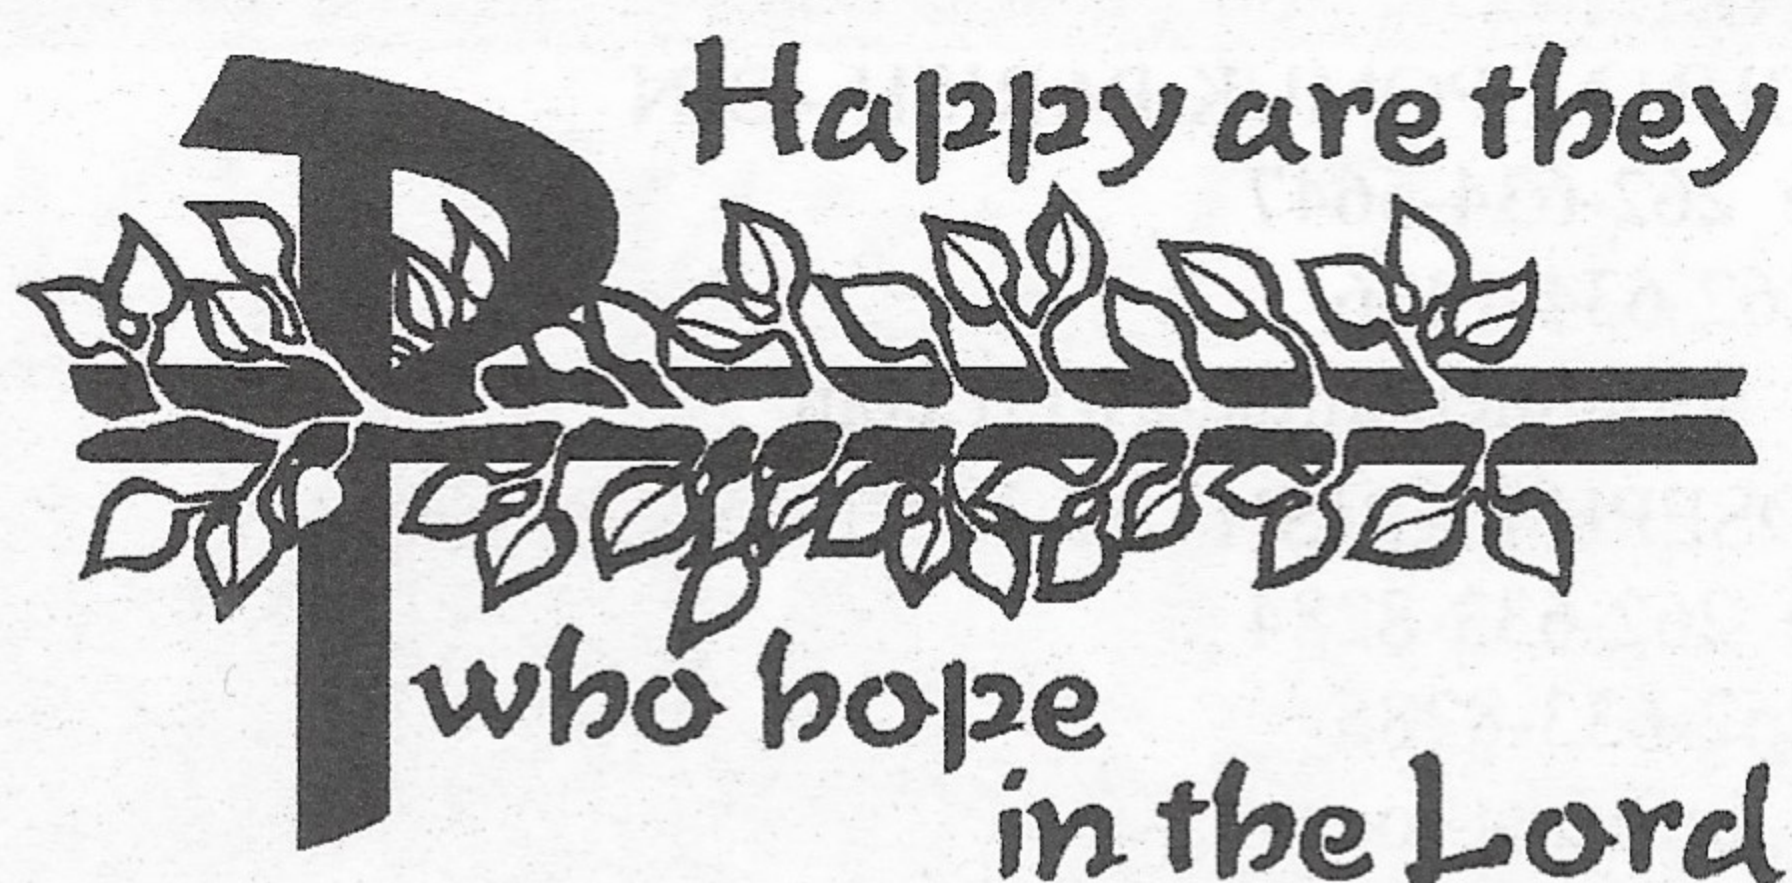

Today's Gospel describes two of our Lord's miracles, the healing of a woman who suffered from a chronic bleeding disease and the returning to life of the dead daughter of Jairus. These healings teach us that Jesus wills life, and wills full life for all God's children. They also reveal Jesus as a generous, kind, and compassionate God, who wills that men should live their wholesome lives fully, giving us further proof of the divine power and the Infinite Mercy of our Savior.

These miracles were worked by Jesus as reward for the trusting Faith of a synagogue ruler and of a woman with a hemorrhage. Although the Faith of the ruler may have been defective, and the woman's Faith may have been a bit superstitious, Jesus amply rewarded the Faith they had by granting them health and life.

Jesus accepts us as we are. Hence, let us bring before him our bodily illnesses and spiritual wounds and ask for his healing touch. As Christians, we believe that Jesus continues to heal us through God's instruments in the medical profession, like doctors, nurses and medical technicians. Hence, when we go to a doctor, we need to offer a prayer to Christ, *The Divine Healer*, that we may choose the right doctor, who will make the correct diagnosis, prescribe the correct treatment, and give us the right medicine. Let us not forget the truth that Christ still works wonders of healing. Let us also thank God for the great gift of health and use it for helping those who are sick.

Peace and joy,

Fr. Steve
