Dear Parishioners,

"Be vigilant at all times and pray that you have strength." On this first Sunday of Advent, Jesus prophesies the signs and portents that will accompany his *Second Coming* and encourages us to be expectant and optimistic. Our theme for this season of Advent is "**With All Your Heart, Amazing Advent.**" In this new liturgical year, we are reintroducing the 10:30 a.m. Mass at St. Joseph. I would like to introduce and welcome Fr. Bill Stout, OFM, who has agreed to help us out.

### Fr. William F. Stout, OFM

Fr. Bill is a Franciscan Friar affiliated with the Assumption of the Blessed Virgin Mary Province headquartered in Franklin, Wisconsin. He was born and raised in Philadelphia, Pennsylvania and comes from a family of seven children. He was Solemn-Professed as a Franciscan Friar in 1998 and subsequently ordained to the Priesthood in the year 2000 at the age of 42. Prior to his entry into religious life and ordained ministry, Fr. Bill worked in sales/product support within the electronics and automotive parts industries, as well as in insurance claims and settlements in the New York City metropolitan area.

Since his ordination in 2000, Fr. Bill has been assigned to work as a high school campus minister, a parish priest, a senior resident and healthcare community chaplain, and as a prison chaplain. He enjoys occasional music ministry and other hobbies involving "tinkering with and fixing things" and also extensive reading. Fr. Bill is very interested in working with families in regards to the faith-formation and faith experience of both parents and their children. He is also the provincial archivist for his Franciscan province.

Saturday, December 8, is the **Solemnity of the Immaculate Conception, a holy day of obligation.** A Mass of Anticipation will be celebrated on Friday at 6 p.m. at St. John Nepomuk Church. On the Saturday holy day, an 8 a.m. Mass will be celebrated at St. Joseph.

A joyous season of Advent,

*Fr. Steve*

#### Everyday Stewardship

Waiting is not always so easy. If you lack patience, like me, you probably want whatever is going to happen to just happen....

So, to make the time pass more easily, and because it is prudent and wise, we make preparations.... When the event finally happens or our fate is unveiled, the preparation ends. Either you have prepared well or you didn't.

Unlike events in our lives that only happen once, we have been through Advent many times before....When Christmas arrives many of us will think we missed it again, and next year will be the year we really get into Advent....What if you knew this was your last Advent ever?

I once read a book about how to live your life as if you only had one year to live.... Doing this provides incentive for a real commitment to living life to its fullest. You notice things for the first time. You make plans that you always put off. You tell people what you always wanted to say....

Let's approach this Advent like it is our last. I bet Christmas will seem that much sweeter. And who knows, we may find a new and improved way to live all year long.

--Tracy Earl Welliver, MTS
