\* Mass with St. Joseph School students

Dear Parishioners,

Today's Gospel story tells us of a single, non-Jewish leper (a "Samaritan heretic"), who returned to thank Jesus for healing him, while the nine Jewish lepers went their way. Perhaps under the false impression that healing was their right as God's chosen people, the rest hurried off to obtain health certificates from the priests. "Where are the other nine?" Jesus asked the crowd. Today's readings also remind us that Faith and healing go hand in hand.

The Greek word "Eucharist" means profoundly religious and thoroughly spiritual "thanksgiving." When we celebrate Holy Mass together, we are thanking God for giving us the great gift of His Son in the Holy Eucharist so that we can share His Divine life and recharge our spiritual batteries, and for giving us His teaching, guiding and strengthening Holy Spirit. We express our thanks to God as a parish community by sharing our time, talents and material blessings in the various ministries and services of the parish and by our active participation in its outreach programs in the community. Let us celebrate the Holy Eucharist as the supreme act of thanksgiving.

Peace and joy,

*Fr. Steve***St. John Nepomuk Parish**
