ST. JOHN NEPOMUK PARISH'S SANCTUARY
 LAMP: As we adore Christ in the Blessed Sacrament,
 please remember in faith,
JOHN AND AGNES KAISLER.

Dear Parishioners,

The widow in Jesus' parable was the symbol of all who were poor, defenseless, and without hope of ever obtaining justice. Her opponent was probably rich, crooked and influential. Jesus presents the widow in today's Gospel as a model of the trust and tenacity with which his disciples are to pray. The widow was asking for something which God would certainly want for her—justice.

This parable does not suggest that God writes a blank check, guaranteeing whatever we want whenever we want it in the form we ask for. But we conveniently forget the fact that, often, a loving father has to refuse the request of a child, because he knows that what the child asks would hurt rather than help him (e.g., a knife). God is like that. He knows what to give, when to give, and how to give it. Only God sees time whole, and, therefore, only God knows what is good for us in the long run. That is why Jesus says that we must never be discouraged in prayer. Instead we have to leave the answer to God's decision saying, as he did in Gethsemane, "Thy will be done."

On this World Mission Sunday, let us support the work of evangelization around the world. It reminds us that we are one with the Church around the world and that we are all committed to carrying on the mission of Christ, however different our situations may be.

Peace and joy,

Fr. Steve
